The screenshot displays the Weatherbound user interface. At the top, a dark blue header contains the brand name "Weatherbound" on the left and navigation links "Home", "Forecast", "Language", and "Options" on the right. The main content area has a light blue background. Centered in this area is a user profile section titled "Welcome back **jan**". Below the title, there are three input fields: "Email" with the value "jan", "Selected city" with a dropdown menu showing "Maribor", and "Add city" with a text input containing "London, England". At the bottom of this section are two green buttons: "Save" and "Find city". A dark blue footer at the very bottom contains the text "Copyright © Weatherbound."
